THE CARROLL NEWS

This May marked WUJC's 20TH ANNIVERSARY as a member of the Cleveland airwaves. WUJC began broadcasting in May of 1969 and has been going strong ever since. Many things have changed at WUJC over the years. However one thing that has never changed is the variety of alternative programming that we offer to our listeners. This year promises to be eventful. STAY TUNED!

WUJC held its Fourth annual Radiothon in April. Special thanks to everyone who made this year's Radiothon a success. WUJC listeners generously pledged $8,000, making this year's Radiothon one of the most successful ever. Contributions went toward the purchase of much needed production equipment as well as other specific station needs.

As we head into our 21st year of broadcasting throughout greater Cleveland, we are all extremely excited to bring you the best in alternative music and public affairs programs. Each year, we are more committed, and we hope this reflects in our programming.
